

Certificate

Approved Data Protection

The certifying body of tekit Consult Bonn GmbH, TÜV Saarland Group, hereby attests that the company

AT Internet GmbH

Leonrodstr. 52-58, D - 80636 München

is authorized to use the TÜV test mark „Approved Data Protection“ for their service

Digital Analytics

This right is granted on the basis of a successful assessment. During the audit the conformance of the tracking data processing to data protection and IT security standards have been verified.

This certification is based upon the

- TÜV Audit Standard – Approved Data Protection – Version 4.5,
- Legal Requirements of data protection,
- Principles of state of the art IT-Security measures in accordance to important aspects of the IT security guidelines of the German Federal Office for IT Security (BSI) and international standards for Information Security Management Systems such as ISO/IEC 27000,
- Test-Report TR02160.

This certificate exclusively concerns the tested website and authorizes the owner to use the test mark for the purposes of advertising during the period of validity. It is not transferable or assignable.

This Certificate is valid until 2018-04-30.

Certificate-No. 2017/1790

Bonn, June 21st, 2017
